

# Operation Watts public hearings

## Media – exhibit, video rebroadcast and transcript request form

To receive exhibits and transcripts and for permission to rebroadcast video of proceedings during the Operation Watts public hearings, media must **sign the declaration below** relating to the use and publication/broadcast of that material. **Please scan the signed form and return to [media@ibac.vic.gov.au](mailto:media@ibac.vic.gov.au).**

Exhibits and transcripts will be shared electronically through IBAC's secure file sharing system Kiteworks (you will receive emailed links to approved material). Video will be shared as a stream on IBAC's website.

### Please note:

- Transcripts are provided to assist media with the accuracy of reporting. IBAC does not permit large sections being reproduced in any format (at this time).
- Transcripts must be retained securely and **under no circumstances** are to be shared with a third party (at this time).
- Exhibits and streamed video **can be** reproduced in your stories as long as it does not contravene any direction or suppression order made under the *Independent Broad based Anti-Corruption Act 2011*, or any other Acts, relating to any information or evidence, including names, adduced at the hearings.
- For legal reasons, some material will not be released for publication or broadcast.

### Declarations

Where material is provided by IBAC, you agree that:

1. the material will only be used for fair reporting purposes
2. any material published will not contravene any direction or suppression order made under the *Independent Broad based Anti-Corruption Act 2011*, or any other Acts, relating to any information or evidence, including names, adduced at the hearings
3. transcripts will be retained securely and not be shared with a third party until they are published on the IBAC website.
